

SOLID WASTE COLLECTION FROM THE SWALE (due to construction in the Alley).

THE COLLECTION OF GARBAGE/ RECYCLING/ COMMINGLED WASTE WILL BE FROM THE SWALE.

Please comply with procedures below to facilitate the temporary changes.

1 Store your receptacles at the side or rear of your property. **(Do Not store carts in the alley during construction activities)**

CURRENT SCHEDULES
Recycling – Monday.
Garbage – Monday & Thursday.
Commingled waste - Thursday

2 Place the (receptacles by sunset), (commingled waste no sooner than noon 12 p.m.) on the swale edge on the day before the day of collection.

3 Return the receptacles to storage by sunset of the day of collection. Note: receptacles shall not be stored on the swale area as this will invite unwarranted solid waste not generated by the property owner/resident.

You will be notified when the regular alley collection will resume.
