

Very Important Information

Instructions For RFID Sticker Placement

Enclosed with this letter is an RFID Sticker that needs to be assigned to your address. The sticker is important so that your home can receive great savings and prizes for your participation in the Waste Pro Rewards program for active recyclers.

Please note the 12 digit code on your sticker and login to your Waste Pro Rewards account. Then follow the easy instructions to register your Cart to your address.

If you have *more than one* Recycling Container, Please identify ONE as your primary bin to be utilized every occasion. Your primary container must have the RFID Sticker attached. Additional Containers do not require an RFID Sticker, so long as the primary is used every occasion.

Step 1:

Clean Target Position on Recycling Bin or Cart making sure target area is clean and free of dirt.

Step2 :

Remove RFID Sticker from adhesive backing.

Step 3:

Carefully place RFID Sticker on Recycling Bin or Cart in the targeted position. (**Shown Below**)

Step 4:

Press firmly across RFID Sticker to verify proper adhesion.

Targeted Sticker Position

Placement of RFID Sticker

Carts: On right side of cart, in the corner closest to top and front. Below the top rim and clearly visible

Improper RFID Sticker placement may result in your home not receiving proper recycling credit. Please follow instructions **carefully**.
