**Management Letter in Accordance with Chapter 10.550,  
Rules of the Florida Auditor General**

To the Honorable Mayor, Members of the  
City Commission and City Manager  
City of Hollywood, Florida

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Hollywood, Florida (the City), as of and for the fiscal year ended September 30, 2013, and have issued our report thereon dated April 28, 2014. Our report was modified to include a reference to other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local governments, and Non-Profit Organizations*; and *Chapter 10.550, Rules of the Florida Auditor General*. The financial statements of the Hollywood Fire Fighters' Pension System and the City of Hollywood Police Officers' Retirement System were not audited in accordance with Government Auditing Standards. We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards, Independent Auditor's Report on Compliance with Requirements That Could Have a Direct and Material Effect on Each Major Federal Program and State Project and on Internal Control over Compliance in Accordance with OMB Circular A-133 and *Chapter 10.550 Rules of the Florida Auditor General* and Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated April 28, 2014, should be considered in conjunction with this management letter.

Additionally, our audit was conducted in accordance with *Chapter 10.550, Rules of the Auditor General*, which governs the conduct of local governmental entity audits performed in the State of Florida. This letter includes the following information, which is not included in the aforementioned auditor's reports or schedule:

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report, including those reported in *Appendix A - Status of Prior Year's Recommendations to Improve Financial Management Accounting Procedures and Internal Controls*.

Section 10.554(1)(i)2., Rules of the Auditor General, requires our audit to include a review of the provisions of Section 218.415, Florida Statutes, regarding the investment of public funds. In connection with our audit, we determined that the City complied with Section 218.415, Florida Statutes, as of September 30, 2013.

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Section 10.554(1)(i)4., Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Section 10.554(1)(i)5., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The information is disclosed in Note 1 of the City's financial statements.

Section 10.554(1)(i)6.a., Rules of the Auditor General, requires a statement be included as to whether or not the local governmental entity has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Section 10.554(1)(i)6.b., Rules of the Auditor General, requires that we determine whether the annual financial report for the City for the fiscal year ended September 30, 2013, filed with the Florida Department of Financial Services pursuant to Section 218.32(1)(a), Florida Statutes, is in agreement with the annual financial audit report for the fiscal year ended September 30, 2013. In connection with our audit, we determined that these two reports were in agreement.

Pursuant to Sections 10.554(1)(i)6.c. and 10.556(7), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
